### To Install

Download and save \*.miz file to "C:\users\username\saved games\dcs\missions"

Now you may load the game from "My Missions"

## **FARP Hollywood 003 : Huey Medevac - Battle of Bulitsku**

Our ground forces are currently engaging in battle with enemy insurgents in the town of Bulitsku. We have gained the upper hand and are now in control of most of the town but the company commander is requesting the injured to be airlift to the near by MASH about 7nm NW of the battle zone. Currently 3 injured allied soldiers need extraction to the nearby M.A.S.H.

We are to Medevac the injured troops to the nearby MASH.

### **Your Mission**

1. Extract 3 Injured troops from the town of Bulitsku.
2. Transport the injured troops to the nearby M.A.S.H.
3. Respond to any other calls for Combat Medics.

### **Mission Information**

- Town of Bulitsku located NW of Out Post 16
- At OP16 - Follow Highway 7nm NW to reach Bulitsku.

### **Threats**

- Unknown number of armed insurgents
- Unknown number of light armored units
